08 JAMES CASON, ) CASE NO. C09-0706-JLR-MAT  
09 Plaintiff, )  
10 v. ) ORDER  
11 THERESE HUTCHINS, et al., )  
12 Defendants. )  
13 \_\_\_\_\_ )

14 In response to a notice of appearance filed by defendants' counsel, plaintiff James  
15 Cason moved for an extension of time to amend his complaint so that he could resubmit his  
16 complaint on the form supplied by the court, as is required by Local Rule CR 103. (Dkts. 17,  
17 20.) He states no other reason for seeking to amend his twice amended complaint, and appears  
18 to be concerned that this matter will be dismissed for his failure to use the court-supplied form.  
19 (Dkt. 20, at 4-6.) The Court accepted the Second Amended Complaint (Dkt. 10) for filing  
20 because it is understandable and otherwise conforms with the Local Rules and the Federal  
21 Rules of Civil Procedure. Local Rule CR 103. This matter will not be dismissed based on a  
22 violation of Local Rule CR 103. The Court therefore DENIES as moot Mr. Cason's motion

01 for an extension of time (Dkts. 17, 20).
